BUILD YOUR
Beauty Brand
WITH SOUL

We don't just manufacture products

As an OEM, ODM and Private Label Manufacturer, SIC builds brands on a foundation of partnership.

We prioritize human relation, social impact,
and ethical commitment

-it's how we earn trust and recognition.

PT SIC is proud to have won the **Sustainability Awards** organized by Cosmobeaute Indonesia for the Social Impact & Ethical Commitment category. This category is intended for the beauty industry that contributes and actively supporting social causes, promoting fair practices or involving inclusive communities

Winner of
**cosmo
beauté**
Indonesia
SUSTAINABILITY
Awards
for category
**SOCIAL IMPACT & ETHICAL
COMMITMENT**

We believe that success is not only measured by business achievements, but also by positive contributions to society and the environment around us.

Certification

SIC has acquired a wide range of quality assurance certifications, displaying efforts for technical innovations, SIC will continue to unveil products that satisfy various need of customers through specialized certifications ideal for each market.

We are equipped with national and international standard production system by implementing BPOM certified, CPKB (Cara Produksi Kosmetik yang Baik), International standard GMP Cosmetics by BV Certified, Halal standard certified by LPPOM-MUI, Social Audit standard SMETA by Sedex

ISO 22716 : 2007

Internationally recognized standard for the safety and quality of cosmetic products through Good Manufacturing Practices (GMP).

SMETA (Sedex Members Ethical Trade Audit) is an audit procedure to assess responsible business practices

Certificate of compliance with CPKB standards as a requirement for the cosmetics industry to produce safe and marketable products.

Certified production of cosmetics and health products, ensuring adherence to Indonesian standards

Certified to ensure that cosmetics and personal care products adhere to Islamic principles.

Site reference : ZS1000042612

SMETA (Sedex Members Ethical Trade Audit)

is an audit procedure to assess responsible business practices that protect workers,

SMETA audit pillars

Including:

Labor Standards, Health and Safety, Environment, and Business Ethics.

Based on the SMETA certificate obtained by SIC, we created a logo that has been legally registered with HAKI (Hak atas Kekayaan Intelektual).

 <p>Workers are paid based on their skills.</p>	 <p>A culture where safety concerns are openly addressed</p>	 <p>Giving women equal rights & opportunities</p>
<p>Does not pollute the environment.</p> 	<p>Proudly do not child labor.</p> 	

The logo we created can be used as a means to support a campaign movement. This logo can be placed on product packaging as a sign that the product supports positive movements.

Service

A production scheme where the factory makes products based on your specifications or standard formulas.

**Original Equipment
Manufacturer**
